POWERED BY PLANTS, **ROOTED IN RESULTS**

Harnessing the power of nature, Zogics ecoPRO™ Disinfecting Wipes are infused with plant-based, biodegradable detergents that clean and disinfect in one swift move. They're tough on germs, yet gentle on your surfaces.

Our wipes are completely free of bleach, dyes, phosphates, synthetic fragrances, parabens, phenol, and phthalates. Instead, we've packed them with nature's best to provide a clean that's both effective and eco-friendly.

SAFE FOR USE ON
NEARLY EVERY SURFACE

Zogics ecoPRO Disinfecting Wipes are your versatile partner in maintaining cleanliness and hygiene across a multitude of hard surfaces.

Whether you're wiping down gym equipment like treadmills and weights, cleaning your kitchen countertops, or disinfecting frequently touched objects like keyboards and toys, our wipes have got you covered.

They're even safe for use on medical equipment, making them a trusted choice in healthcare settings.

Clean with confidence, knowing that you're using a product that's as kind to your surfaces as it is to the environment.

QUICK & CONVENIENT

Designed to kill germs, bacteria, and viruses in one simple step. Just one wipe, and you're assured of a clean, germ-free surface.

PLANT-BASED

EcoPRO Disinfecting Wipes are crafted from premium plant-based materials and biodegradable ingredients.

NON-TOXIC

We're committed to your health and safety. EcoPRO wipes are formulated without harmful substances or ingredients.

STREAK-FREE

These wipes are tough enough to handle heavy-duty cleaning, yet gentle enough to leave surfaces looking their very best.

DISPENSER COMPATIBILITY

Zogics ecoPRO Disinfecting Wipes are perfect for use with all Zogics branded wipe dispensers (wall-mounted, floor dispensers, buckets, etc.).
