DIRECTIONS FOR USE

Shake well before each use (will not spray when cold). Remove protective cap and hold dispenser upright. Point valve opening toward window or glass to be sprayed, holding about 8 to 12 inches away. Press button, spray on fine mist, and wipe clean. For best results, polish with a lint-free, cotton cloth. Unplug energized electrical equipment prior to use. Not for use on non-glass flat panel TVs.

WARNING: Contains gas under pressure; may explode if heated. Observe good industrial hygiene practices. Do not puncture or incinerate container. Use with adequate ventilation. Intentional misuse by concentrating and inhaling the product can be harmful or fatal. Keep out of reach of children. **STORAGE:** Protect from sunlight. Store in a well-ventilated place. Do not expose to temperatures exceeding 49°C/120°F. **DISPOSAL:** Dispose of contents/container in accordance with local/ regional/national/international regulations. **FIRST AID: IF ON SKIN:** Wash off with soap and water. **IF IN EYES:** Rinse with water. Get medical attention if irritation develops and persists. **IF INHALED:** Move victim to fresh air. Call physician if symptoms develop or persist. **IF SWALLOWED:** Rinse mouth. Get medical attention if symptoms occur.
