CLUB LOCKER CONFIGURATIONS

LOCK OPTIONS

BENCHES

Cell Phone Lockers (CLC)

MAXIMIZE SPACE. MINIMIZE INVESTMENT.

Zogics Club Locker configuration CLC is built with integrated USB chargers. Our cell phone lockers feature both cell phone and laptop compartments, with a USB port in each. Your members will finish their workout with a fully charged phone.

Towel Drops & Grooming Stations

INTEGRATED AMENITY YOUR GUESTS WILL LOVE

Grooming stations and towel drops will keep your locker room clean and your members looking fresh. Towel drops complement your locker configuration.

With a pre-cut opening, installation is easy. Our grooming stations come standard with a storage cabinet, solid surface countertop, directional lighting, electrical outlets, and a mirror.

All Zogics grooming and towel drops ship fully assembled and are backed by a 3-year warranty.
