PRODUCT BROCHURE

Zogics Lockers

OUR LOCKER SELECTION IS MODERN, DURABLE, AND DESIGN-FORWARD.

Meet your members' needs with a range of tiered locker configurations. Ensure your locker room is outfitted with the best lockers and locker room accessories. Choose from different sizes, different configurations, and finishes.

All locker frames are shipped whole and ready for no-hassle on-site installation.

Zogics Lockers are designed to maximize space while looking stylish in your facility. Choose from 8 standard premium laminates with matching edgebands to start. Each locker is fit with soft close concealed hinges, and can be accessorized with a variety of locks, configurations, and more.

Add towel drops, shelving, and grooming stations for a full-service locker room experience.

Mix and match tier configurations to fit your needs. Finish the room off with matching benches from Zogics.

Cell Phone Lockers

MAXIMIZE SPACE. MINIMIZE INVESTMENT.

Zogics Cell Phone Lockers fit within traditional tier configurations. Mix and match to ensure everyone has the space they need. Our cell phone lockers feature both cellphone and laptop compartments, with a USB port in each. Your members will finish their workout with a fully charged phone.

Our Cell Phone Lockers are a one-of-a-kind solution for those looking to reduce their locker room investment and footprint. These lockers are perfect for storing small items during workouts, and have built-in USB charging ports for cell phones and tablet
