Rolled Rubber Flooring

PRODUCT BROCHURE

Zogics Rolled Rubber Flooring

Zogics Rolled Rubber Flooring is a best seller for a reason. This dense and resilient flooring allows for maximum comfort and impact absorption. Customize by color, measurements, and marketing such as custom logos.

All Zogics Flooring is made of 100% recycled rubber. Contains low VOCs (that rubber smell) and proudly made in the USA. Our products are GreenCircle certified, helping qualify your facility for LEED credits.

Why Zogics Rubber Flooring?

Zogics is your partner for custom rolled rubber flooring. We can help you design the custom flooring solution for your needs and your budget. Our experts will walk you through every step, from ideation to design to installation. Each facility receives a custom design. Leave us the heavy lifting so you can get back to what you do best.

Tough enough to endure every workout, from the cardio to strength training and everything in between.

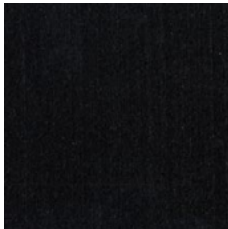

Customizable to your most creative decisions, with endless possible color combinations and layouts.

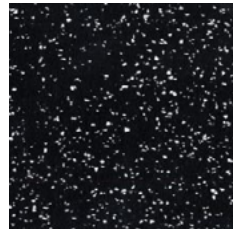

Colors

Your rolled rubber flooring should match your facility's branding and design. Our flooring is available with a standard selection of 13 colors and could also include specific coloring. From our economic Black Infinity to more flair like Green Night, choose the right color that will make your members feel at home.

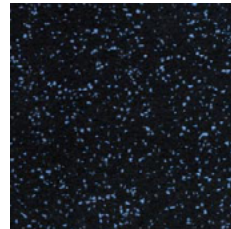

(10% COLOR)

Custom Branding

Using precision water-jet cutting, we make it easy to incorporate your facility logo, branding, or messaging into your flooring. Each logo is manufactured out of the same recycled rubber and is installed to create a seamless surface for your members. Get in touch if you're interested in custom branding your rubber flooring.
